

# LAUNDRY ROOM ETIQUETTES

## LAUNDRY ROOM HOURS

8 AM TO 10 PM

## NO WASHING OR DRYING AFTER 10 PM

(IT BOTHERS OUR TENANTS)

## IF YOU ARE WAITING FOR THE WASHER OR DRYER:

AFTER THE MACHINE HAS STOPPED, YOU NEED TO WAIT ABOUT 15 MINUTES BEFORE YOU CAN REMOVE SOMEONE ELSE'S CLOTHES.

1. Please show courtesy to your neighbors by removing your clothes from the machines as soon as possible. Leaving your clothes in either machine is just plain rude anyway.
2. Other tenants have permission to remove your clothes from the machines if they are there for more than 15 minutes after the machine as stopped. If you do not like having other people handling your clothes, it is your responsibility to be sure that they aren't in someone else's way.

Owner or Management is not responsible for lost or stolen items.

**WASHER TAKES 30 MINUTES**

**DRYER TAKES 60 MINUTES**
